The International Fair of the Sea, FIMAR, which will be held from May 18 to 20 in the Plaza de Canarias and the surroundings of the Santa Catalina Dock, has already finished the details for its next celebration.

FIMAR, which is promoted by the City Council of Las Palmas de Gran Canaria and the Cabildo de Gran Canaria and jointly organized by the council of Ciudad de Mar and Infecar, will continue faithful to its commitment to the blue economy and its commitment to the sea as a niche of opportunities.

The proposals related to naval repairs, port activity, scientific culture, marine robotics and surfing will mark the eighth edition. In addition, among the objectives set for FIMAR, the organization focuses its efforts not only on increasing the volume of business of the exhibitors, but also on increasing the opportunities to generate business and investment. Thus, the fair has exhausted the total of 130 exhibiting tents, once again covering all available places in one edition.
